**Re: Ross ISR Project, Docket #040-09091, Submittal of Technical Report
Replacement Pages Following December 20, 2012 Public Meeting Regarding
Draft License Comments**

To Whom It May Concern:

On behalf of Strata Energy, Inc., WWC Engineering submits the enclosed Technical Report (TR) replacement pages. These minor updates to the TR are a result of comments submitted to the NRC regarding Strata's draft license conditions. Included with this transmittal are the following:

- One hard copy of the TR replacement pages and associated change index and,
- One compact disc (CD) containing this letter, the change index and replacement pages as NRC compliant Adobe PDF files.

Please use the change index of replacement pages to remove the existing pages and replace with the enclosed pages dated January 2013.

If you have any questions please feel free to contact me at (307) 672-0761.

Thank you,

Benjamin J. Schiffer, P.G.
Project Manager
